

# David Adam Kiken, MD, FAAD

---

—  
***Diplomate of the American Board of Dermatology***

***Dual Board Certified: Dermatology and Micrographic Dermatologic Surgery***

---

**Private Practice** 2008-present  
Dermatology and Skin Surgery Center, Founder

**Board Certified Dermatologist** 2008  
A Diplomate of the American Board of Dermatology, a Founding Member of the  
American Board of Medical Specialties  
2018  
Recertification examination passed  
2018-present  
Cert-link Board Certification Maintenance

**Board Certified Mohs Micrographic Dermatologic Surgeon** 2021

## **EDUCATION AND MEDICAL TRAINING**

**DERMATOLOGY RESIDENCY** 2005-2008  
University of California, San Diego, San Diego, CA  
Division of Dermatology  
Chief Resident: 2007-2008

**PEDIATRIC DERMATOLOGY CLINICAL RESEARCH FELLOWSHIP** 2004-2005  
St. Luke's-Roosevelt Hospital Center, New York, NY  
Department of Dermatology

**INTERNAL MEDICINE INTERNSHIP** 2003-2004  
Lenox Hill Hospital Department of Medicine, New York, NY

**MEDICAL SCHOOL** 1999-2003  
New York University School of Medicine, New York, NY  
Degree: Medical Doctor, May 2003

1995-1999

**UNDERGRADUATE EDUCATION**

**University of Pennsylvania**, Philadelphia, PA

Degree: Bachelor of Arts in Biology with Distinction, May 1999

Minors: Psychology and Health Care Management (Wharton School)

Honors:

- Phi Beta Kappa
- Summa cum laude
- Dean's List- all semesters

**HIGH SCHOOL**

**Millburn High School**, Millburn, NJ

Highest Honors

1991-1995

**HOSPITAL APPOINTMENTS**

**Saint Barnabas Medical Center**, Livingston, NJ

**MEDICAL LICENSING**

California

Florida

New Jersey

New York

## RESEARCH EXPERIENCE

- St. Luke's-Roosevelt Hospital Center, New York, NY** 2004-2005
- Preceptor: Nanette Silverberg, M.D.
  - Clinical Research Fellow: Study Coordinator and Sub-Investigator
    - Investigated Safety and Efficacy of Elidel 1% cream in Atopic disease modification
    - Assessed in Randomized, Double-Blind Vehicle Controlled Phase to evaluate effects of Elidel 1% cream in atopic dermatitis in infants.
    - Evaluated the effect of early intervention versus delayed intervention with Elidel on the incidence of asthma in children.
    - Coordinated randomized, investigator blinded, active controlled, parallel-group tinea capitis study.
    - Compared safety and efficacy of 6-week treatment with terbinafine pediatric formulation versus 6 week treatment with griseofulvin pediatric suspension in children with tinea capitis.

- New York University Department of Dermatology, New York, NY** 2002-2004
- Preceptor: Jean Claude Bystryn, M.D.
  - Studied and analyzed the IgM and IgG antibody responses to a polyvalent shed antigen melanoma vaccine.

- New York University Department of Dermatology, New York, NY** Summers 2000 & 2001
- Preceptor: David E. Cohen, M.D., M.P.H.
  - Studied contact dermatitis to botanical extracts
  - Assembled panel of patients presenting with contact dermatitis who were exposed to botanical agents. Patients were patch tested to botanical series and analyzed.

- Clinical Research Laboratories, Piscataway, NJ** Summers 1995–1998
- Preceptor: Michael J. Muscatiello, Ph.D.
  - Completed research entitled *The Effects of Ultraviolet Light vs. The Effects of Isopropyl Alcohol (70%) on Human Skin Flora*.
  - Research assistant in Dermatology, Microbiology, and Photobiology departments.

## PUBLICATIONS

- **Kiken, D.A.**, Goldman, M.P. Case Report: Inadvertent injection of Sodium Tetradecyl Sulfate into Mental Nerve Block: Discussion of Management and Outcome. Accepted for publication: *Dermatologic Surgery*, 2009.

## LECTURES

- Dermatologic Emergencies. Medical student course lecture, University of California, San Diego, 2008.
- Mycosis Fungoides. Grand Rounds, Department of Medicine, University of California, San Diego, 2006.

## **TEACHING EXPERIENCE**

**Physiology Teaching Assistant**, New York University School of Medicine 2002-2003

- Cased based learning with 1<sup>st</sup> year medical students

**Biology Teaching Assistant**, University of Pennsylvania 1997-1999

- Led small group recitation sessions
- Assisted in preparation and grading of exams
- Weekly review lecture

**Peer Tutor**, University of Pennsylvania 1997-1999

- Biology, Inorganic Chemistry, Physiology, Biochemistry, Calculus
- Approximately 15 students in > 10 1:1 teaching and review sessions

## **VOLUNTEER EXPERIENCE**

**Soup Kitchen**, University of Pennsylvania NYC Alumni Club, New York, NY 1999-2005

- Assist in preparing and serving meals in NYC soup kitchens

**Children's Hospital of Philadelphia**, Philadelphia, PA 1997-1999

- Recreational activities with inpatient children

**St. Barnabas Medical Center**, Livingston, NJ Summer 1997

- Patient care assistant

## **SOCIETY MEMBERSHIP**

- American Society of Dermatologic Surgery 2008-present
- National Psoriasis Foundation 2007-present
- American Society for Mohs Surgery 2007-present
- American Academy of Dermatology 2005-present
- Society of Investigative Dermatology 2002-present
- Skin Cancer Foundation 2005-present
- American Society of Cosmetic Dermatology and Aesthetic Surgery 2005-present
- American Medical Association 1999-present
- California Medical Association 2005-present
- Phi Beta Kappa 1999
- Golden Key Honor Society 1997

**ADDITIONAL HONORS**

<b>Theobald Smith Award</b> , Morristown, New Jersey <i>First Place: Outstanding Achievement in Microbiology</i>	1994 & 1995
<b>National Merit Commended Scholar</b>	1995
<b>Garden State Scholar</b>	1995
